Field Trips - Mainly Thursdays

Date(s)/Time	Event/Venue	Grade(s)	NOTES	Description	Address
Jan. 19 11:30-1:30pm	Celebration of Learning!	Pre-Sch - Gr. 12		<p>This event has something for everyone! Ready, Set, Learn for pre-school to Gr. 3. Participants will start with a Passport to Learning document where they will collect a stamp for each station they visit. Stations will include a variety of early literacy, numeracy and language games. Participants will also collect the materials and instructions they need to play each activity at home. All young learners will also collect a minimum of three beautiful picture books, while some handy information about supporting young learners will be shared with parents.</p> <p>Project Day! Gr. 4 and up. Back by popular demand, Project Day returns to provide an opportunity for Summit students to showcase their work and receive thoughtful feedback. Students are encouraged to bring 2-3 samples of work they are most proud of. Project Day guests will tour the display and write feedback on post-it notes. Can't wait to see what our amazing students have to share this year!</p> <p>Both events will begin at 11:30. Lunch will be served between 12:30 and 1:00, followed by the CanSpell Spelling Bee challenge. be prepared to stay and encourage the Summit team members on their quest for spelling glory :)</p>	Silverdale Elementary School GYMNASIUM 29715 Donatelli Ave. Mission
Jan. 26 9am-12pm	BUCKETS OF PUPPETS!	K-3		<p>There's much more to puppets than you ever thought! Join professional puppeteer, Karen Marshall, to learn all about puppetry. Karen will be bringing "buckets of puppets" & a puppet theatre, and students will be given an opportunity to create and group-present their very own puppet show. A healthy snack will be provided at breaktime, halfway through this workshop.</p> <p>Please note that this class has a limit of 20 students – a Waitlist option will be provided at registration if the class is already full.</p>	Silverdale Elementary School LIBRARY 29715 Donatelli Ave. Mission

Field Trips - Mainly Thursdays

Date(s)/Time	Event/Venue	Grade(s)	NOTES	Description	Address
Jan. 26 9am-12pm	"Dollars with Sense" Workshop with Junior Achievement BC	4-12		<p>Junior Achievement's "Dollars with Sense" is a fun and interactive, hands-on program which helps students develop financial literacy skills so they can make informed decisions today and set goals for their financial future. Through program content students learn about budgeting, money and credit management, saving & investing and financial goal-setting, including how to be a smart shopper!!</p> <p>Further details about the curriculum can be found here (states grade 8 but will be modified to suit our students): http://jacan.org/sites/default/files/2011-aug-dws_teacher_promo-template.pdf</p>	<p>Silverdale Elementary School COMPUTER LAB 29715 Donatelli Ave. Mission</p>
Feb. 2 9:30am arrival/checkin time (film 10:00-10:45)	"Journey into Amazing Caves" Omnimax film & Self-tour at Science World Vancouver	K-12		<p>Descend into worlds with no light, no air, and no room for error. This awe-inspiring film tells the story of Nancy Aulenbach and Dr. Hazel Barton who share a love for caves and cave exploration. From ice caves in Greenland to underwater caves in the jungles of Mexico, the two cavers boldly explore, looking for important clues about Earth's past and the micro-organisms that inhabit extreme environments.</p>	<p>Science World 1455 Quebec Street Vancouver (604)443-7440 telusworldofscience.com/vancouver</p>
2/9/2011 10:20-11:50am	Cardmaking with Louise Riverside Room, Langley	K-12		<p>Come and join us for a fun filled morning of paper crafting. Bring your creative side out making 2 projects from scratch that you can bring home and WOW your family with! This class is designed for all levels and no experience is necessary. All materials will be supplied.</p> <p>Please note that this class has a limit of 15 students – a Waitlist option will be provided at registration if the class is already full.</p>	<p>Riverside Community Room 9273 Glover Road Fort Langley 604-533-6086</p>
Feb. 9 12:30-2:00pm	"Dip Nets to Drive-Thrus" workshop Langley Centennial Museum	K-12		<p>This innovative program critically examines the changing Fraser Valley regional diet. The program illustrates the impact of a changing diet on our bodies, our communities, and our environment by examining the pre-contact native diet, the pioneer or rural farm-based diet, and the processed and fast food diet that is rapidly becoming the societal norm. For the specific learning outcomes associated with this program, please visit: http://www.langleymuseum.org/pdfs/11-381_LCM_School_Brochure_web1.pdf</p> <p>Please note that this class has a limit of 30 students – a Waitlist option will be provided at registration if the class is already full.</p>	<p>Langley Centennial Museum 9135 King Street Fort Langley 604-532-3536 www.langleymuseum.org</p>
