<p>10:00 - 11:30 & 12:30 - 2:00</p>	<p>Home, Sweet, Home and Tools & Fuels Burnaby Village Museum, Thursday, Feb 4</p>	<p>K-12</p>	<p>Two programs with a break in the Burnaby Village Museum lunch room in-between.</p>	<p>Home, Sweet, Home: Participants explore various types of homes found in the Lower Mainland in the 1920s, including a log cabin, a single working man's home, a farmhouse, an upper-middle-class house and a storekeeper's living quarters. Various hands-on household chores highlight the evolution of technology in the home and its impact on families and the community.</p> <p>Tools & Fuels: Our newest program offers a fascinating glimpse into how technology changed our lives. It looks at the changes that occurred 300 years ago, when people started burning coal instead of wood and using machines instead of hand tools. Through demonstrations in the blacksmith shop, the tinsmith shop, and with working stationary steam engines, the participants get a first-hand look at how the steam age began. http://www.burnabyvillagemuseum.ca/</p>	<p>6501 Deer Lake Avenue, Burnaby, BC</p>
