Internet Expense Subsidy Form

Families having one or more students enrolled full time with Summit Learning Centre are entitled to a subsidy for their monthly internet expense. Please attach an original copy of one month's Internet billing and we will extrapolate the month's billing to cover your internet expenses for the school year (10 months). The normal usage billing for the month should not include new connection charges, taxes, etc – only the normal month-by-month billing the family can expect to incur for internet access.

Please note: If the monthly charge for the internet is included in a “bundle” fee, please contact your carrier to ask what portion of the bundle fee is attributed to internet charges.

The Internet Expense Subsidy Forms must be submitted prior to March 1st of the current school year. Cheques for the annual subsidy will be processed and mailed out to families by the school board office during the month of March.

Parent Name _____ Student(s) Name: _____

Address: _____

Please enter if different from address that we have in our student records
