I agree to work collaboratively with a teacher who will develop the Student Learning Plan, and direct my child's learning program in accordance with the Ministry of Education Distributed Learning Regulations. This means that resources, assignments and activities will assist the student in the acquisition of prescribed learning outcomes for his/her course and grade.

I further agree to maintain my child(ren's) status as a "Student in Good Standing" throughout the year. A student is considered to be in good standing when:

- required assignments are submitted for assessment and evaluation once or twice per month, as required by subject
- the student participates in writing Provincial exams as required
- he/she follows district guidelines for computer use (*see over*)
- he/she maintains on-going communication with the teacher in relation to the Student Learning Plan

I understand that access to Summit Learning Centre resources will be contingent upon maintaining status as a "Student in Good Standing". This includes such resources as the Computer Loan program, Resource Library, ArtSmarts, Internet Reimbursement and Student Resource Allotment credits.

I agree to contact Summit Learning Centre immediately should any circumstances arise which impacts my child's ability to be a "Student in Good Standing" so that a plan may be made to address the situation.
